NABAGRAM SCHOOL APPEAL

A needy child
cannot ask
for your help,
but we can?

4 BANGLADESH

Registered UK Charity No. 1176398

NABAGRAM SCHOOL REPAIRS

Nabagram Primary School had to close in 2018 due to a shortage of funds having been supported by Barnabas Fund for 5 years. A commitment has been made by Life For Bangladesh to respond to requests to reopen the school in January 2021 so that children of all faiths can receive a Christian education in the village and do not have to travel a mile each day to a Muslim or Hindu school.

The condition of the buildings and playground have deteriorated, and now require urgent work to make them safe for the children.

With your help we can make a difference

WHY GIVE?

The condition of the building and playground would not pass international standards of safety. Electrical problems mean the children are meeting in darkness sat on benches which are broken and needing a coat of paint. The swings and slides cannot be used since they have corroded badly exposing sharp and dangerous edges.

Schools have barely enough income to pay for staffing costs. The buildings have often been paid for by gifts from International charities or private sponsors. As they deteriorate it can be difficult to raise grants from the same sources. By supporting the school we are sharing God's love with some of the poorest children.

Matthew 7:25 "The rain came down, the streams rose, and the winds blew and eat against that house; yet it did not fall, because it had its foundation on the rock."

WHY NOW?

We have a serious immediate need to improve the buildings for Nabagram school, which after twelve years of neglect have deteriorated and require intervention to keep the buildings safe for the children and staff.

Through the winter and monsoon seasons, the broken windows allow rain inside the classrooms making them unusable. The broken roofs are allowing water in which can lead to localised flood. Your donations can be quickly made via online banking or PayPal, with a few clicks on a mobile.

Your gift however small will make a difference.

WHERE DOES MY MONEY GO?

URGENT NEED:

Nabagram school estimates the repair costs to make the buildings and playground clean and safe, to be around £3,000. Photos to the right and at the bottom of this page show the scale of the problem, with broken pavements, damaged roof, holes in walls, corroded playground equipment, defective locks, broken toilet.

Below is a photo of the school taken ten years ago when the building was in prime condition.

A list of specific repairs is shown, if you wish to sponsor something in particular.
