ANNUAL ACTIVITIES REPORT 2025

"To God be the glory for the great things He has done." As we look back on the year 2025, we are humbled by the manifest grace of the Lord that has sustained the ministry of Life for Bangladesh (L4B). This report serves as a testimony of our stewardship and a detailed account of the work Christ has accomplished through our hands.

Within these pages, we review the breadth of our activities across the nation—from the bustling cities to the remote villages. Our goal is to provide a transparent view of how the Gospel is lived out through our service, ensuring that every aspect of our outreach reflects the love and compassion of Jesus Christ.

Greetings from the Leaders (UK & Bangladesh)

Rev. Chris Simmons,
Chairman- L4B, UK

Grace to you and peace from God our Father and the Lord Jesus Christ. As we look back on 2025, my heart is filled with the joy of the Philippians: 'I thank my God every time I remember you.' It is a profound honor to witness how the Lord has knit our hearts in the UK together with our brothers and sisters in Bangladesh. This report is not merely a collection of data; it is a ledger of God's faithfulness. We remain committed to standing in prayer and partnership, watching the Holy Spirit move through the hands and feet of L4B. May this review of our year inspire you to praise Him for His sustaining Hand.

Mr. Stephen J. Page,
Secretary- L4B, UK

As we present this 2025 Annual Report, we do so with a deep sense of stewardship and gratitude. Scripture reminds us that 'it is required in stewards that one be found faithful' (1 Cor 4:2). It has been a privilege to coordinate the support and resources flowing from the UK to the vital work on the ground in Bangladesh. This year has shown us that when we work in unity, the Lord commands a blessing. We thank every supporter who has been a part of this journey, and we pray that as you read these pages, you see the tangible fruit of your prayers and generosity being used for the glory of His Kingdom.

Mr. Gilbert Binimoy Sarkar
Chairman- L4B, BD

Greetings in the precious name of our Lord and Savior, Jesus Christ. From the heart of Bangladesh, we send our deepest love and appreciation to our global family. This past year has been a testament to the light of Christ shining in every corner of our nation. Through the challenges and the victories, the Lord has been our Ebenezer—'Thus far the Lord has helped us.' We are honored to oversee the work of Life for Bangladesh as we seek to be a beacon of hope and a source of 'Life' in its fullest sense to our communities. May God continue to bless our shared mission.

Mr. Peter Sarkar
Executive Director- L4B

The year 2025 has been a season of remarkable growth and humble service. As Executive Director, I have seen firsthand the smiles of children, the hope restored in families, and the Gospel being lived out through our various programs across Bangladesh. Our mission at L4B is simple yet profound: to manifest the love of Christ through action. I am deeply grateful to our UK partners and our local teams who labor tirelessly in the harvest field. As you read this report, may you feel the heartbeat of our ministry and join us in anticipating the even greater things God has in store for the year ahead.

CHANNEL OF GRACE

The Great Commission

"Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

— Matthew 28:19-20

Our Vision:

Serving The people of Bangladesh,
Compelled by the Love & Life of
Christ.

The mission of Life for Bangladesh (L4B) is rooted in this sacred call. We are a UK-registered charity (No. 1176398) dedicated to the spiritual and physical restoration of the people of Bangladesh.

For over 34 years, we have been "going" into the harvest field, committed to providing relief, training, and education to those whom society has often forgotten.

Faith in Action: Our Ministry Model

As a locally rooted organization, we understand that true transformation happens when the Gospel meets practical needs. We are not just a charity; we are a ministry of presence, following the command to "teach everything He has commanded us."

- ✓ **Weekly Life Groups** These gatherings are the heartbeat of our discipleship, where community members grow together in faith, prayer, and the study of the Word.
- ✓ **Education & Youth Training**: We currently support **four schools**, providing a Christ-centered foundation for **300+ children** from all backgrounds. Our youth programs empower the next generation to lead with integrity and Christian character.
- ✓ **Compassionate Relief**: In every crisis, we are there to reflect the heart of Jesus, providing essential support and hope to underprivileged families.

A Legacy of 250+
Faithful Servants

Our work is made possible by a dedicated army of over 250 volunteers across Bangladesh. These faithful brothers and sisters serve as the hands and feet of Jesus, ensuring that the "Life" found in Christ reaches every home and heart.

Empowered by the promise that "*He is with us always*," Life for Bangladesh remains steadfast. With your support, we continue to build a brighter future, anchored in the eternal hope of the Gospel.

OUR FOUNDATION

Programs & Activities

At Life for Bangladesh, our programs are more than just services; they are channels through which the love of Christ flows into the lives of the vulnerable. Each initiative is designed to equip the mind, nourish the body, and save the soul.

Spiritual Discipleship & Leadership "Teaching them to observe all things that I have commanded you..."

- ✓ **Weekly Life Groups:** The spiritual heartbeat of L4B. These groups provide a sacred space for young people to gather in fellowship, diving deep into Biblical truths and finding encouragement to live out their faith in a complex world.
- ✓ **Regional & National Life Conferences:** These transformational gatherings serve as "mountain-top experiences" for believers. Through worship, intensive teaching, and fellowship, we strengthen the unity of the Body of Christ across Bangladesh.
- ✓ **Leadership Training:** We believe in "equipping the saints for the work of ministry." This program identifies and mentors the next generation of Christian leaders, teaching them to lead with servant-hearts, integrity, and a vision for their communities.

Educational Empowerment "Train up a child in the way he should go..."

- ✓ **Schools Program:** Currently supporting four schools, we provide high-quality education to children who would otherwise be left behind. By integrating academic excellence with Christian values, we are shaping the future of 300+ students.
- ✓ **Sponsor a Child:** This initiative creates a personal bridge between supporters and students. It ensures that a child's physical, educational, and spiritual needs are met, offering them a tangible hope for a life beyond poverty.
- ✓ **Women's Program:** Empowering the "Marys and Marthas" of our communities. We provide biblical teaching alongside practical healthcare and personal development training, restoring the dignity and influence of women in the home and society.

Compassionate Relief & Infrastructure "For I was naked and you clothed Me..."

- ✓ **Blankets Appeal:** When the harsh winter winds sweep across the plains of Bangladesh, we respond with the warmth of Christ. This appeal provides high-quality blankets to the elderly and the needy, protecting the "least of these" from the cold.
- ✓ **Christmas Appeal:** Every year, we celebrate the birth of our Savior by sharing His joy. Through gift distribution and community feasts, we ensure that struggling families experience the abundance and celebration of the Gospel.
- ✓ **School & Church Building Projects:** We are committed to building firm foundations. By constructing safe schools and vibrant places of worship, we provide the physical infrastructure necessary for a community's long-term spiritual and social growth.

Overcoming Challenges Through Prayer

The path of ministry in Bangladesh is often met with hurdles, yet we view these as opportunities for God to demonstrate His provision.

- ⇒ **Technological Hurdles:** Many groups struggle with a lack of digital devices (tablets/phones), poor network connectivity, and insufficient sound equipment, which can hinder the quality of our Zoom gatherings.
- ⇒ **Socio-Economic Pressures:** Deep-seated poverty often forces members to choose between attending meetings and working in the fields or relocating for education and jobs.
- ⇒ **Spiritual Opposition:** In some regions, our groups face interference from local religious leaders or denominational opposition.

A Call to Stand with Us

As we look toward 2026, we humbly ask our supporters to join us in prayer for:

- {} **Staff Safety:** For the physical and spiritual protection of our coordinators in sensitive areas.
- {} **Stability:** That our groups would overcome device shortages and grow into mature, Christ-centered communities.
- {} **Miraculous Provision:** That God would provide the essential resources—specifically digital devices, educational stipends, and travel funds—to bridge the gap between our calling and our capacity.

"We are confident that as the body of Christ stands with us in prayer, God will open the doors for His glory."

EDUCATION

Planting Seeds of Hope and Faith

"Train up a child in the way he should go, and when he is old, he will not depart from it." – Proverbs 22:6

At Life for Bangladesh, our schools are more than buildings; they are gardens where we diligently plant seeds of hope and instils foundational Biblical values within young hearts. We believe that providing quality education to underprivileged children, especially those from diverse religious backgrounds, is a vital part of our mission to manifest the love of Christ.

Challenges and Prayer Requests

While we celebrate these victories, the needs remain great. We humbly ask our supporters to keep these specific needs in prayer:

- ㉚ Amgram School Repairs: The facility urgently needs repairs for its roof, woodwork, doors, and toilet tanks.
- ㉚ Teacher Support: Our dedicated educators serve with sacrificial hearts, often with very low support. We recognize a pressing need to increase teacher salaries to honor their vital work.
- ㉚ A Heartfelt Invitation: We invite our partners to visit these schools firsthand. A visit from our global family would surely strengthen our hearts and inspire us further in His work.

Diversity: We serve children from Hindu, Muslim, and Christian backgrounds, ensuring every child feels the warmth of Christ-centered care.

We are absolutely confident that these efforts will have a profound and lasting impact on these children's lives, providing them with education and the opportunity to grow in faith.

"Blessed is the man that trusts in the LORD, and whose hope the LORD is. For he shall be as a tree planted by the waters, and that spreads out her roots by the river, and shall not see when heat comes, but her leaf shall be green; and shall not be careful in the year of drought, neither shall cease from yielding fruit." -Jeremiah 17:7-8

2025 MILESTONE

School Developments & Plans

Nabagram School Extension: A collaborative blessing

We praise the Lord for the successful completion of the Nabagram Pre-primary Bible School Building Extension. For years, this school operated with minimal resources in a humble tin-roof building that was insufficient for the number of children wishing to enrol.

A Collaborative Blessing

Through a powerful partnership between [Life for Bangladesh](#) and [Barnabas AID](#), we constructed a brand-new extension.

The project added two comfortable classrooms, full electrical systems (fans and lights), 20 sturdy bench sets, and essential learning tools like blackboards.

New Facilities

Expanded Reach

This extension allows 30 more children to comfortably experience their first lessons in a welcoming environment.

Faith in Future Growth: Kaligram Scool New Building

We are moving forward in faith to improve our infrastructure across all regions:

Kaligram School Building Project: On October 8, 2025, our leadership team—Mr. Peter Sarkar, Mr. Stephen J. Page, and Mr. Gilbert Binimoy Sarkar laid the foundation stone for a new building at Kaligram Baptist Mission Pre-primary School. Although the full funding is not yet secured, we are starting this project "faith-based," trusting God's providence for a 2026 start.

New Horizon for 2026: New School

We are overjoyed to announce the addition of a fifth school, the "Attaroy Mission Primary School," in the Satkhira District. (May our Lord help us with His mighty provision to keep continue this School for the poor needy Children)

AID & SUPPORTS

The Blessing and Provision of God

"Every good and perfect gift is from above, coming down from the Father of the heavenly lights..." – James 1:17

At Life for Bangladesh, we believe that every resource we share is a direct result of God's provision. This year, we have witnessed His hand moving through the distribution of His Word, the empowerment of students, and the strengthening of local churches.

**Investing in the Future:
HSC Exam Fee Support**

**The Gift of the Word:
Bible Distribution**

**Firm Foundations:
Church Construction Support**

We **rejoice** in the academic and spiritual growth of our youth. Education is a key pillar of transformation, and this year, the Lord opened doors for our students to overcome financial barriers to their success.

Academic Support: We provided financial gifts to cover the **Higher Secondary School Certificate (HSC)** exam fees for **68 Life Group members**.

Overcoming Poverty: These students come from economically challenged backgrounds where such fees often represent an impossible hurdle to their future prospects.

A Growing Ministry: We are deeply encouraged to report that we assisted more students this year than last—a clear sign of God's increasing Favor on this mission.

Prayer Request: Please join us in praying for these 68 students. May the Lord grant them wisdom and strength as they sit for their exams, and may they see this support as a testimony of Christ's personal care for them.

Through divine providence, we successfully placed the Holy Scriptures into the hands of those longing for Truth, our team made a concerted effort to visit each recipient's home, witnessing firsthand the profound joy and tears of gratitude as believers received their first complete Bible.

Project Impact: * 25 Bibles distributed, featuring durable leather zip covers for long-lasting use.

Reaching the Marginalized: Focus was placed on rural and tribal communities in regions like Rangpur and Dinajpur, where full access to the Bible was previously limited.

Supporting "Hidden" Believers: Discreet distribution was provided to those from different faith backgrounds who cannot openly acquire a Bible due to community sensitivity.

Regional Distribution Summary:

- > Chittagong Region – 21 Bible
- > Northern Region (Dinajpur, Rangpur, Thakurgaon, Nilphamari, Lalmonihat & Gai Bandha) – 118 Bible
- > Khulna, Satkhira, Mongla & Jessore – 37 Bible
- > Sylhet Region 29 Bible

Our mission extends beyond individual support to the strengthening of the local Body of Christ.

Borobariya Baptist Church Building Project Located in a remote corner of the Gopalganj district, Borobariya Baptist Church serves an area where no other church exists for many kilometers.

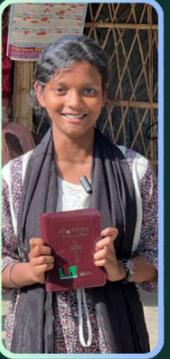

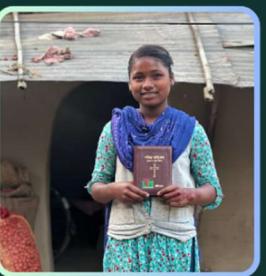

Nurturing New Believers: Most members of this congregation are new to the faith.

Our Contribution: Life for Bangladesh provided critical financial support for their new church building to ensure they have a safe, permanent place to gather, grow, and reach their neighbours with the Gospel.

Future Aspirations: Continuing the Mission

The overwhelming response this year highlights a growing hunger for both spiritual and practical support. Moving forward, we aim to:

- ✓ **Expand Bible Access:** Prioritize reaching unreached villages and more Life Groups with the complete canon of Scripture.
- ✓ **Empower Through Education:** Increase our capacity to support students in their academic journeys.
- ✓ **Build Holy Spaces:** Continue partnering with local congregations to provide physical structures for worship and discipleship.

"We deeply thank each supporter who made this mission possible. Your contributions have not only placed Scripture into eager hands but have nurtured hearts and communities longing for God's Word."

UNITED IN FAITH

Conferences, Training & Events

"For where two or three gather in my name, there am I with them." – Matthew 18:20

NATIONAL LIFE CONFERENCE 2025

02 to 05 October 2025

at Santikuthir Baptist Mission, Kotalipara, Gopalganj

#BESTRONG
Daniel 10:19

(NLC) 2025: A Landmark of Revival

"But he said to me, 'Daniel, don't be afraid. God loves you very much. Peace be with you. Be strong now; be strong.'" – Daniel 10:19

The **National Life Conference 2025** was not merely an event; it was a divine appointment. After a nine-year hiatus, the Lord gathered 600 participants, including Life Group members, workers, and guests, at the Santikuthir Baptist Mission Compound from October 2nd to 5th. The atmosphere was charged with a shared hunger for a deeper encounter with the Living God.

Our Inspired Speakers & Leadership (NLC 2025)

The Lord provided seasoned voices to pour into the lives of the attendees. Each session was crafted to build biblical understanding and practical leadership skills:

- ✓ **The Visionary Leadership:** The conference was overseen by Mr. Peter Sarkar (Executive Director), who reported on the powerful movement of God's Spirit that permeated the compound.
- ✓ **The Word Proclaimed:** Dedicated speakers (Mr. Stephen J. Page from the UK & PS. Raj Eliazer from India) focused on the theme of resilience, teaching that strength does not come from human effort, but from the assurance of being "loved very much" by God. In the other hand Many Christian leaders from different ministry and demolition have attained the Conference as guest and speakers as well.
- ✓ **Honouring the Foundations:** A cherished session featured our Senior Ex-Volunteers and workers. By introducing these faithful elders, the speakers bridged the past and the future, showing the youth that the same God who sustained the ministry for decades is the one who empowers them today.

The Movement of God: #BeStrong

The theme, **#BeStrong**, served as a prophetic call to the youth of Bangladesh (ages 15–35). Throughout the four days, we witnessed the Holy Spirit moving in several profound ways:

A Spiritual Awakening: Young believers from 10 regions and 18 districts were united, many experiencing a renewed fire for ministry and a commitment to Christ-centered living.

Healing and Strength: The conference was designed to equip leaders with "spiritual fortitude" to navigate modern challenges. We saw hearts strengthened and fears cast out as participants embraced the peace of God mentioned in Daniel 10:19.

Unity of the Body: The "Visual Masterpiece" of the event was the sight of hundreds of young people from diverse backgrounds worshiping together, forging bonds that will sustain the ministry for years to come.

Key Highlights of the Gathering

Worship: Led by the **Harvesters Worship Group**, the sessions were "spiritually vibrant," providing a glimpse into the joyful spirit of the Kingdom.

Fellowship: Beyond the teachings, the conference served as a "landmark event" for national unity, allowing young believers to realize they are part of a much larger, God-driven movement across Bangladesh.

Commissioning: The event concluded with a renewed sense of purpose, as 600 participants returned to their 18 districts equipped to be "unshakable in their faith".

"The National Life Conference 2025 was a testament to God's faithfulness. It has reignited a passion for ministry that will bear fruit across the nation for generations to come."

Harvesters Worship Group (HWG): Leading the Way

The Harvesters Worship Group remains a powerful force in our ministry, serving as the primary worship leaders for our Weekly Life Groups and the NLC 2025.

Growing a New Generation: Based near our Amgram head office, the group is currently seeing a rise in young members who are learning instruments and developing their spirits to praise the Lord.

Refreshment & Unity: On April 26th, 2025, Life for Bangladesh sponsored a full-day refreshment trip for the group to the Niribili and Shapnobithi picnic spots in Narail. This trip was a small token of gratitude for their tireless efforts throughout the year, strengthening their unity as a team.

Life Group Pre-Christmas 2025: Light of Christmas

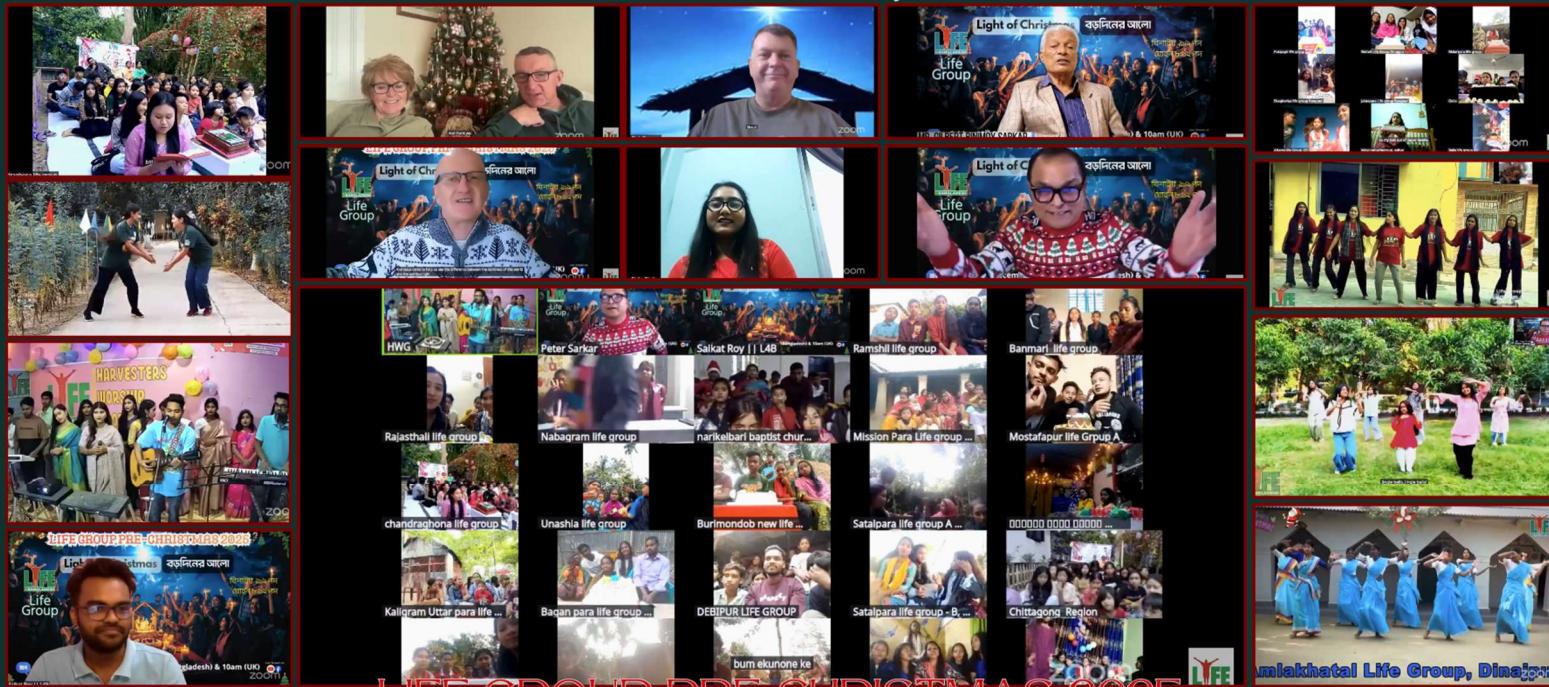

On December 19th, 2025, we celebrated our final Weekly Life Group meeting of the year with a spectacular online event.

Global Fellowship: Around 1,200 members, workers, and guests joined from Bangladesh, the UK, Ireland, and India.

Program Highlights: The evening featured Christmas dramas, dances, and carols by HWG. We were blessed by greetings from our UK Chairman (Rev. Chris Simmons), our Bangladesh Chairman (Mr. Gilbert Binimoy Sarkar), and our friends from Ireland (Henry & Beth).

The Message: Secretary Mr. Stephen J. Page explained the theme "Light of Christmas," with the program hosted by Executive Director Mr. Peter Sarkar.

(Over all it was a wonderful Pre-Christmas Celebration with everyone)

LIFE GROUP PRE-CHRISTMAS 2025

Education & Community Celebrations

School Pre-Christmas & Result Ceremonies: Our schools in Amgram, Nabagram, and Kaligram Celebrate the Christmas joy with academic achievement. Students performed dances and songs, shared a Christmas cake, and received their annual results and rewards. These lively events serve as a beautiful bridge between education and faith.

ANNUAL RESULT CEREMONY & PRE-CHRISTMAS 2025

Sunday School & Women's Activities:

“Riya Paroi” continues to lead a growing Sunday School at her local church (Chalkshing Baptist Church), nurturing over 50+ children weekly with the seeds of the Word. Also, she is maintaining 4 Life Group as week in the same area.

“Mrs. Shilpe Halder” oversees focused women's activities in the Gopalganj region, providing spiritual nourishment and community support.

Our prayer is that these local seeds of ministry will grow and flourish in the coming years, reaching even more women and children with the hope of the Gospel.

Nabagram Church: Completing His House

The Nabagram congregation is building a new sanctuary to replace their unsafe wooden structure. By God's grace, the project is 60% complete, but work on the roof, floors, and windows is currently on hold due to a lack of funds. We pray for divine provision to finish this House of Worship for His glory.

“The God of heaven will give us success. We his servants will start rebuilding.” – Nehemiah 2:20

As we look forward, we remain committed to:

- Supporting the growth of the Harvesters Worship Group as they mentor new musicians.
- Expanding our women's and children's ministries to more regions.
- Maintaining the momentum of the #BeStrong movement among our youth.

FUTURE FOCUS

Our Vision for 2026: Stepping Forward in Faith

"Enlarge the place of your tent, and let them stretch out the curtains of your dwellings; do not spare; lengthen your cords, and strengthen your stakes." — Isaiah 54:2

As we conclude this report, our hearts are not just fixed on what has been achieved, but on the vast harvest field that lies ahead. We believe God is calling Life for Bangladesh to a season of expansion—not just in numbers, but in the depth of our discipleship and the strength of our leaders.

Developing Kingdom Leaders

To sustain the growth of our 216 Life Groups, we must invest in the "living stones" who lead them.

Regional Leadership Training Conferences: We plan to divide our 18 districts into three strategic regions to host intensive training. We aim to gather two leaders from every Life Group to equip them with the biblical tools and leadership skills necessary to shepherd their local groups effectively.

Regional Life Conferences: Unlike the National Conference, these two-day regional gatherings will focus on local fellowship, allowing groups within the same area to unite in praise, joy, and the study of the Word.

Overcoming Barriers through Technology

Our greatest mission challenge in 2025 was communication. In this digital age, a lack of technology is a barrier to the Gospel.

Caring for the Laborers

"The labourers are worthy of his wages." (1 Timothy 5:18).

Our staff members are the backbone of this ministry, serving faithfully despite the rising economic pressures in Bangladesh.

Staff Salary Increases: To honor their dedication and ensure they can serve without the burden of financial hardship, it is a priority in 2026 to raise funds for salary increases. We seek to retain our skilled and passionate workers by providing for their basic needs as they provide for the spiritual needs of others.

We recognize that without the breath of the Holy Spirit, our plans are merely human efforts. Prayer is the foundation of every school, every Life Group, and every relief effort.

Prayer: 🙏
Our Firm Foundation

Please join us in prayer for:

- **Provision:** For the funds needed to host our 2026 conferences and procure communication devices.
- **Strength:** For our 250+ volunteers and regional coordinators who serve on the front lines.
- **Sustainability:** For the resources to support our 23 teachers and the 230 children currently in our care.
- **Revival:** That the "Light of Christmas" shared in 2025 would lead to a permanent spiritual awakening across all 18 districts of our work.

A Final Word of Gratitude

To our **partners, donors, and prayer warriors** in the UK and beyond:

Thank you. You are the hands that help us reach the unreachable. As we step into 2026, we do so with confidence, knowing that He who began this good work in Bangladesh will be faithful to complete it.

To God be the Glory!

With regards reporting from Bangladesh

In His service
