SPONSOR A CHILD PROGRAMME

A needy child
cannot ask
for your help,
but
we can?

Registered UK Charity No. 1176398

SPONSOR A CHILD IN BANGLADESH

For just £3 a month – that's 10p a day – your sponsorship can help to ensure that a child, in one of the poorest Muslim majority countries in the world, can attend a Christian school. In Bangladesh the government does not have the resources to fund the teaching of children. This means that many of the poorer rural children grow up disadvantaged and illiterate. Life For Bangladesh is committed to helping some of the poorest children in Bangladesh, achieve an education.

With your help we can literally change lives - one child's life at a time...

WHAT YOU GET AS A SPONSOR

As soon as you sign up, we'll send details of the child and school you are helping sponsor and the location in the country.

We will email you twice a year with an informative email about the lives of the pupils and their teachers.

Our aim is for you to see practically where your monies are being spent and just what they are achieving on the ground.

We know from studies across the world that child education is one of the main areas that helps eradicate poverty. In the future we hope with additional funds to help you sponsor individual children in some of our schools.

Each child represents a future, the future of the community, of the country, and indeed the future of the whole world...

THE TEACHERS

The influence and impact that one Christian teacher has with a class of children is powerful. The teachers are all trained, and do the job as many educators the world over, as a vocation. Their job is not to just teach the children but help them build a foundation for life.

The approach is always holistic, with a knowledge that every child is created in the image of God, is special, and has the potential to achieve great things through their life...

WHERE DOES MY MONEY GO?

URGENT NEEDS:

We have had to close three schools because of shortage of money to pay for the staff to run them.

The photograph below shows the need to repair and modernise the school buildings.

We ask for your prayers for financial support to enable us to continue to provide a Christian education for children in a country with a Muslim majority and where persecution for minority faiths is increasing.

100% of your sponsorship money goes to help sponsoring children and schools in Bangladesh

It will pay for school books, school teachers, children's uniforms or maybe even fund the building of classrooms.

We'll send you detailed updates on how your money's being spent, together with each year's accounts.

We will make it easy for you to see how your sponsorship is changing lives.

The average wage for a teacher in rural Bangladesh is £50.00. (as at October 2018).

This means your money can go a long way to starting and establishing schools, providing holistically for children's needs, and helping give children a start in life, with Christian foundations, which would otherwise be unavailable to them.

SMALL CHANGE CHANGING LIVES

ABOUT US

Life For Bangladesh is a registered UK charity which supports the ministry of Life For Bangladesh – a Bangladesh based Christian organisation providing relief, training and education to some of the poorest families in Bangladesh, since 1991. We run a school with 115 pupils from differing creeds and religions.

As a locally based organisation, Life For Bangladesh understands and responds to the needs of the communities. A Christian education is a principal need which with your support we can continue to provide.

Our work is driven by the belief that every child has the right to a free, quality education.
